It is the responsibility of the buyer to carry out inspection of motor vehicle lots as the buyer deems necessary prior to bidding. Motor vehicle lots are sold as collector's items and not for any particular purpose, including as suitable means of transport. Motor vehicle lots are typically of some age and may include refurbishments, repairs and replacement parts, the condition of which may be difficult to establish. Bonhams necessarily relies on information, including information regarding the lot's condition, authenticity and provenance, provided by the seller and cannot undertake a level of inspection of the vehicle to establish whether or not the vehicle corresponds to any description provided in the catalog or otherwise.

Bidder Registration

In order to bid at a Bonhams sale you will need to register to bid. This can be done by completing a bidder registration form such as the one at the back of this catalog. If you are not known to Bonhams you may be asked to supply a bank reference or other suitable reference when you register. You may wish to pre-arrange suitable check or credit approval, and we recommend you speak with Martin Romero at Bonhams' Cashiering office in San Francisco or with Paul Atterton at Bonhams' head office in London.

Reserves

The seller may place a reserve on its property which is the minimum hammer price the seller is prepared to accept for a lot. This figure is confidential.

Estimates

These are an indication of where we feel the levels of bidding will reach exclusive of the buyer's premium and tax; however, lots may achieve prices higher or lower than the published estimates. Where 'refer to department' is stated please contact one of the specialists for the latest up-to-date estimate.

Bidding

The auctioneer will open the bidding below the low estimate and usually proceed in increments of around 10% of the bidding price. The auctioneer may vary the bidding increments and may split or reject a bid at his or her discretion. At Bonhams, you can bid in many ways: in person, via absentee bid or over the phone. Absentee bids can be submitted in person, online, via fax or via email. By bidding at auction, whether in person or by agent, by absentee bid, telephone or other means, the buyer or bidder agrees to be bound by the Conditions of Sale. We assume no responsibility for failure to execute bids for any reason whatsoever.

Absentee Bids

Bonhams can execute absentee bids when instructed. Lots will be bought as inexpensively as is allowed by other bids and reserves. Please send your absentee bid to Bonhams in good time prior to the sale. If a bid is faxed, it should be sent to Bonhams at +1 (212) 644 9007.

Telephone Bids

If you are unable to attend the sale and require additional flexibility over an absentee bid, Bonhams is pleased to offer a telephone bidding facility. Should you wish to bid by telephone please contact Bonhams Client Services for a form. Please note that we do not accept telephone bids for lots with a low estimate below \$500. Please contact Client Services to place an absentee bid.

References

Intending buyers should supply bank references. The references should be supplied to Bonhams in time to allow them to be taken up before the sale. Unless arrangements are made with Bonhams for payment in advance of the sale, lots may be removed to storage at the buyer's expense and risk. In any event, the purchase price should be paid to Bonhams no later than 11am Monday September 13.

Damage

Any viewer who damages a lot will be held liable for all damage caused and shall reimburse Bonhams or its agents for all costs and expenses relating to rectification of such damage.

Customs Duty

Customs Duty, calculated at 2.5% of the purchase price, and associated import fees are payable on all lots marked with a dagger (†). However, if the purchased lot is exported within certain criteria, the duty may be refundable.
